Greetings!

We are excited to begin a new school year and a new season of Community Education programs. Our goal is to offer programs that appeal to people of all ages, at all stages of life. Having instructors who are willing to share their time and talent is key! A big thanks to community members and experts who will be joining us this year as members of our Community Education team.

I’d like to extend a warm welcome to our new Community Education staff members. Let’s go alphabetically:

Mindy Arnzen joined our preschool staff, and is teaching morning and afternoon preschool classes.

Laura Bertram is our Reading Corps Tutor.

Kayla Dragseth is our new Preschool Screening Coordinator.

Kristie Ekstrom, is our School Age Care and Wrap Around Care Coordinator. You can learn more about Kristie and her programs on page 18.

Beatriz Munoz is our Preschool Assistant.

Welcome to Jade Scheuler, our Preschool Camp Lead Staff member. You can learn more about Jade and her program on page 19.

*Both Kristie and Jade joined us this summer to help develop these new programs, set up our spaces, order supplies, and prepare for the beginning of school.

A special thanks to our advertisers; these area businesses support our community in many ways, and are excellent partners with our school district.

On our cover: Thank you to Amy Herkenhoff Terres, with ALEE Photography for the photo of Carter Olson, son of Ashley and A.J. Olson of Freeport.
Knowledge Bowl originated in 1976 as a project within a small educational service cooperative. It began in response to a group of area student body leaders who asked if the organization would develop and host some kind of competitive academic activity involving excellent students. Now, Knowledge Bowl is a recognized Minnesota State High School League activity for high school students.

Melrose Community Education would like to offer students in grades 5-8 (5/6 & 7/8) a chance to participate on our Junior Knowledge Bowl team this fall. Coaches, Mr. Leraas and Mr. Hoyt, are very excited about bringing in a group of students to participate in this activity. Practices will begin the week of October 14. The team will practice and compete during October, November and December. 5/6 grades will primarily practice on Tuesday/Thursday, 7/8 grades on Monday/Wednesday. There will be two practices each week after school from 3:00-4:00 p.m. Each team will have the opportunity to compete in meets this fall.

Course #1105-1, Grades 5/6, Middle School Room 206
Course #1105-2, Grades 7/8, Melrose High School Room 302
$50

ESL (ENGLISH AS A SECOND LANGUAGE) LEARN ENGLISH IN MELROSE
Location: Melrose High School Media Center, Enter through door 7
ESL classes are offered for adults that have basic educational needs. Free for anyone age 17 or over who is not presently enrolled in a K-12 school.
Classes are held on Wednesdays from 4:30-7:30 p.m.

ABE/GED®
Location: Melrose High School Media Center. Enter through door 7
Flexible, self-paced, individualized instruction for reading, writing, and math skills, along with preparation for the GED®, Work Keys, Career Ready 101, and/or ACCUPLACER® tests.
Classes are held on Wednesdays from 4:30-7:30 p.m.

Adult Literacy Volunteers Needed: Contact 320-762-3312 ext. 4285 or learn more about becoming an Adult Literacy Volunteer.

Transitioning to college or to the workforce? We can help!
ABE can help you prepare for college and will help you prepare for the ACCUPLACER test. If you are looking for work, we can help you build your resume. You can be proctored in two exams: certificate with WorkKeys, also known as NCRC (National Career and Readiness Certificate), which is a nationally recognized certificate, and computer skills with the NDLP (NorthStar Digital Literacy Project).

AMERICAN MAH JONGG
Marge Marschel

Mah Jongg is an ancient Chinese game of skill, strategy, calculation, and a bit of chance. An estimated one-half million Americans play mah jongg today. Want to join the fun? In this introductory course, you’ll learn techniques, strategy, rules for play, and scoring. Join Marge for 4 weeks of classes. The first two classes will focus on learning the game, the second two classes will include continued learning as well as play. Minimum of 4, maximum of 8. Course #1402.

First two nights will be in the HS Cafeteria. The second two nights in Melrose High School Room 203, enter door 7
$40 per person

*There will be a $9 material fee payable to Marge the first night of class, this covers the cost of the Mah Jongg card, which is required for play.
LANDSCAPING WITH NATIVE FLOWERS AND GRASSES
Adam Hjelm, Sauk River Watershed District
Learn how to put down some roots and use native plants in your landscaping, flower gardens, and everywhere else. We will help identify some of our favorite natives for a wide variety of soils, shade levels, and overall hardiness. Also learn some easy ways to integrate native plants into your current landscaping, or start a whole new project. Participants will receive a free native plant book and there will be several gift certificates from local nurseries given away as door prizes. Minimum 8. Course #3022.

Monday, September 23
6:30-8 p.m.
Sauk Centre High School Media Center
$8

SAVING YOUR SEEDS
Adam Hjelm, Sauk River Watershed District
Looking to save some money and learn a new gardening skill? Seed saving is an easy and rewarding practice that will let you become more self-sufficient and select varieties of plants that do best in your unique gardening situations. Come learn how to give your seeds the best chances of germinating and producing healthy plants when they are planted. Luckily, all the needs of seeds are easily provided once you are aware of their requirements. Participants will receive native plant books, and several gift certificates from area nurseries will be given as door prizes. Minimum 8. Course #1321.

Wednesday, October 9
6:30-8 p.m.
Melrose High School Room 203, enter door 7
$8

BOOTCAMP/CIRCUIT TRAINING
Amy Van Beck

Welcome back Amy, and congratulations on your newest family member, Augustus! Glad to have you back in the gym!

Looking for a workout that will work your entire body? Then bootcamp is for you! Bootcamp class will give you a full body workout using a variety of different moves. Each class is different - hitting every major muscle group with each workout. We will use a mix of cardio, high intensity interval training and core work. We use our own body weight with some exercises (i.e. push-ups) and use weights for others. All ages and levels of fitness are welcome. Each move will have modifications for wherever you are at in your fitness journey. Examples of classes are Cardio Blast, Legs and Glutes, Arms and Abs, Mixed Strength, Tabata, etc.

All classes are from 5:15-6:00 a.m. in High School Gym, enter door 14. You can choose any 4 classes per month, or attend 8 classes each month
Please bring a mat, hand weights (3lb. to 5lb.) and water.

KOMBUCHA
Becky Klassen

Kombucha is a popular beverage choice, trending today, although it’s been around for centuries. Kombucha is produced by fermenting sugared tea and is popular in part because of its probiotic nature. Yummy and healthy! It can be purchased at your local convenience or grocery store, but there’s a less expensive and healthier way to make it at home. And it’s really pretty simple! Come see how it’s made and take home a kombucha kit to get you started. Register by Thursday, November 14. Course #1231.

Tuesday, November 19
6:00-7:00 p.m.
High School Foods Room 401, enter through door 7
$18

Acts of kindness ripple through the world.
SEPTIC SECRETS CLASS
FREE CLASS - MADE POSSIBLE THROUGH A GRANT FROM MDH CONTAMINANTS OF EMERGING CONCERN PROGRAM FROM THE CLEAN WATER LAND & LEGACY AMENDMENT

There is growing concern about new chemicals in our groundwater, drinking water, lakes, rivers and streams. These “chemicals of emerging concern” (CEC) include products we use every day around our homes—cleaning products, over-the-counter medicines, and pharmaceuticals. CECs can present a health risk and are more likely to get into our drinking water if we do not have good drinking water or septic systems. Properly constructed and maintained drinking water and septic systems can provide safe and reliable drinking water and wastewater treatment for decades.

The goal for Septic Secrets is to provide property owners information about how septic systems work, including how to care for and maintain a septic system so it can function during or beyond its design lifetime.

Septic systems are designed to last 20-30 years, but can last more or less depending on use, care, and maintenance. The Septic Secrets seminar will be offered by Dr. Sara Heger of the Onsite Sewage Treatment Program at the University of Minnesota Water Resource Center and Jeff Grugal a Hydrologist from the Well Management Section of MDH.

Septic Secrets provides information that enables property owners to maximize their septic investment:

- How a septic system works
- The purpose of the tank
- The purpose of the drain field
- The important clean-water role played by the soil underneath the drain field
- How often the tank should be pumped
- The purpose of an inspection
- What an inspection includes
- How often the system should undergo an inspection
- The difference between pumping and inspection
- Whether additives are a good idea
- How to prevent winter freeze-up
- And when and how to determine whether well water is safe to drink for your family

Septic Secrets Class is FREE for all interested persons.
Refreshments will be provided.

Thursday, October 10
Melrose High School Media Center, enter through door 7
6:30-8 p.m.

PLEASE REGISTER BY CALLING 256-6010
NO COST, BUT YOU MUST RSVP TO ATTEND
HALL-WALKING AT MELROSE SCHOOLS
Walking in the school is great option when the weather is cold and the sidewalks are slippery!

When can you walk?
On School Days
Monday thru Friday
6:30-7:30 a.m. & 5:30-9 p.m.

A few things to keep in mind:

*If you walk in the morning, the halls start to get busy around 7:30 a.m.!

*No School - No Walking

*Please avoid walking in the Elementary School when there is an athletic event in the Elementary Gymnasium.

Greetings! I am Kristie Ekstrom, a graduate of Melrose Schools. I am the School Age Care/ Preschool Camp Coordinator and varsity softball coach. I am so excited to be working at the Melrose Schools, serving families in our community. We hope our new programs meet the needs of families in our district. Our goal is to offer kids a great, safe environment to “hang out” before and after school, with fun, creative and caring staff.

Please contact us if you have any questions or to register your child for our programs. We look forward to a fun and exciting new adventure with the Dutchmen Explorers’ Club and Preschool Camp.

¡Saludos! Yo soy Kristie Ekstrom, graduada de las Escuelas de Melrose. Yo soy la coordinadora de Cuidado de Edad Escolar/Campamento de Preescolar y entrenadora de softball. Estoy emocionada de estar trabajando en las Escuelas de Melrose, sirviendo a las familias de la comunidad. Esperamos que nuestros nuevos programas cumplan con las necesidades de las familias de nuestro distrito. Nuestra meta es de ofrecer un gran medio ambiente para niños donde pueden “pasar el rato” antes y después de la escuela, con empleados divertidos, creativos, y cariñosos.

Por favor de comunicarse si tiene preguntas y para inscribir a su hijo/a a nuestros programas. Miramos hacia adelante para un nueva aventura divertida con el Club de Exploradores Dutchmen y Campamento de Preescolar.

Kristie Ekstrom, kekstrom@isd740.org, 320-256-5160 x 4219
PRESCHOOL CAMP - WRAP-AROUND PROGRAM

Hello! My name is Jade Schueler and I am the Preschool Camp site leader.

I am a 2011 Annandale graduate and new to the Melrose area. I am excited to be a part of this community and to be in the lives of the kids who walk through the door of our new program. I can’t wait to watch them grow and learn in our fun and safe environment.

¡Hola! Mi nombre es Jade Schueler y soy la líder del Campamento Preescolar.

Soy una graduada de Annadale del 2011 y soy nueva para la área de Melrose. Estoy contenta de ser parte de esta comunidad y estar en la vida de los niños quienes caminan por la puerta a nuestro nuevo programa. No puedo esperar en ver el crecimiento de ellos y aprender en un nuestro medio ambiente divertido y seguro.

Jade Schueler, jschueler@isd740.org, 320-256-5160 x 3406

---

**PRESCHOOL CAMP**

Preschool Camp is an option to be at school for a full day. This is not a full-day preschool, but an opportunity for your child to adjust to all day care outside of the preschool program hours.

Children attending morning preschool class. They will transition to Camp after preschool hours and children attending the afternoon preschool class will start the day with Camp.

The Preschool Camp is being offered at the Melrose Area School, during the school year but will not operate on the regular school calendar. We will offer care Monday through Friday with the exception of holidays and some non-school days.

Morning Camp: 8:00 a.m. - 12:05 p.m.
Afternoon Camp: 11:00 a.m. - 2:50 p.m.

We cannot accommodate drop-in or varied schedules. Students who attend Preschool Camp must attend regularly scheduled days to keep the environment as consistent as possible for all involved.

---

**CAMPAMENTO PREESCOLAR DUTCHMEN**

Campamento Preescolar es una opción para estar en la escuela todo el día. Este no es un día completa de preescolar, pero es una oportunidad para que su hijo se ajuste al cuidado de todo el día afuera de las horas del programa preescolar.

Los niños asistiendo a la clase del preescolar por la mañana harán la transición al Campamento después de las horas de preescolar y niños asistiendo a la clase de preescolar por la tarde empezaron su día con el Campamento.

El Campamento Preescolar es ofrecido en la Escuela de Melrose Área, durante el año escolar pero no estará igual al calendario escolar regular. Estaremos ofreciendo cuidados de lunes a viernes con la excepción de días festivos y algunos días no escolares.

Campamento de la Mañana: 8:00 a.m. - 12:05 p.m.
Campamento de la Tarde: 11:00 a.m. - 2:50 p.m.

No podemos acomodar cuidados sin cita o variedad de horarios. Los estudiantes quienes asistan al Campamento Preescolar tienen que asistir regularmente los días programados para mantener un medio ambiente para que sea constante para todos los involucrados.
**EARLY CHILDHOOD SCREENING**

**Is your child 3 years old?**
Melrose Public Schools Early Childhood Screening is a check on how your child is growing and developing.

**Early Childhood Screening helps you:**
* Find out how your child is doing.
* Connect you and your child to early childhood programs and other community services.
* Answer your parenting questions.

**What happens during Screening?**
Trained professionals will check your child’s:
- Vision & Hearing
- Health History
- Immunization Records
- Height/Weight/Growth
- Skills in Thinking
- Communication & Language
- Large/Small Muscles
- Social/Emotional Development

All of this information is important for your child’s continued learning and readiness for future school success. After the screening, you will be given a full report of your child’s learning and growth. Information to support your job as a parent will also be available. Screening is required for entrance into kindergarten.

For more information about screening, or to schedule an appointment, please call 256-6010 and ask for assistance.

If you are concerned that the school does not have proper contact information for you, and your child is between 3 and 4 years old, please contact Kayla to give her your current address and your child’s information.

**EARLY CHILDHOOD SCREENING 2019-20 SCHEDULE**

- November 1
- January 10
- January 20
- April 3
- May 1

Melrose Area Preschool Rooms/door 4
546 Fifth Ave NE, Melrose
Available in English and Spanish

Contact Kayla Dragseth for an appointment
320-256-5160 x 3401 or kdragseth@isd740.org

For Spanish, please contact Beatriz Munoz
320-256-5160 ext 3429 or bmunoz@isd740.org

**Is your child developmentally on track?**
If you have concerns about a child birth to three years of age, please contact Jeanne Schneider at the West Central Education District (WCED) at 320-256-6026 to learn more about programs and services that are available.

You can also visit helpmegrowmn.org for lots of good resources and suggestions for helping children learn and grow.

Monday, Nov. 18, 5:30-7:30 p.m.

**Jazz Holiday Music**
Jazz holiday music by Andrew Walesch.
Wednesday, Dec. 11, 5:00-7:00 p.m.

**Tech Time**
Bring the device that is challenging you. This is the opportunity to ask questions about your specific electronic device.
Wednesday, Oct. 9, 3:00-4:30 p.m.

**Melrose Holiday Kick-Off**
Crafts & refreshments from 3:00-6:00 p.m.
Sponsored by the Melrose Friends of the Library.
Holiday music by Bob Niehaus from the “Bob Show” from 3:30-5:30 p.m.
A Legacy Event.
Friday, Nov. 29

Please call 256-3885 to register for library events!
By the time you read this, the 2019-20 school year has probably begun. The amount of daylight is shortening, the weather should be cooling off, and colors will be changing soon. This brings us schedules that are extremely busy and made even busier with wonderful student activities. This personally is my favorite time of the year!!! I am excited to have the students return, and we are thankful for the opportunity to educate them and work with you, the parents and guardians.

As always, there are some changes that you will notice and some things that will stay the same. Our PBIS (Positive Behavior Interventions and Supports) program and HANS (Honesty, Attitude, Neighborly and Safety) continue to evolve and grow. We continue to teach and reinforce these expectations. As you may have learned by now, we have expanded our before and after school care. This includes options for our AM/PM PreK students. More information on this is included in this Community Education Guide. We are also trying something new with our morning routine. Instead of walking in the gym, students will head to the playground for morning recess until it is time to go to class. Whether you drop your students off or they ride the bus, they still come through door #2, never directly to the playground. Students that eat breakfast at school will be reminded to do so. This will take place every day, with the exception of weather concerns. We request that your child comes prepared for the weather each and every day.

Our Student/Parent/Guardian Handbook has its share of changes every school year as well. The handbook is a great resource to find most information to help your family navigate through the school year. This can be found online at www.isd740.org. Copies can be requested from the office. Please limit to one paper copy per household when possible.

I would like to offer a few important tips for a successful 2019-2020 school year;

Make sure you communicate any changes in your family’s information with the school. Attendance and punctuality are key factors in a successful education. Just like on testing days, make sure your child is well rested. Make sure your child has a well balanced breakfast at home or at school. Maintain a daily schedule or routine at home. This helps your student(s) be more prepared for the return to school and sets them up for a successful school year. When released, get the Melrose Area Public Schools App. This is where you can get all the info you need about the district and student activities. There will also be a corresponding new website. The app will be used for school updates such as late starts, school closings, and even extra-curricular activities.

Here's to a great school year, and my door is always open!

Jim Conrad, Elementary Principal, jconrad@isd740.org
Homecoming: Respect, Responsibilities and Relationships

Welcome to the 2019-20 school year! By the time you receive this newsletter, evenings will be cooling off and other hints of fall will surely be noticed. We are looking to build on the many successes of the previous school years, optimistic that this school year will be the absolute best that it can possibly be. With each passing school year, staff have an opportunity to reflect on revisions and improvements. This year, homecoming is scheduled for the week of September 23rd-27th. It is always exciting to see the positive connections that are made with school and community each year as the fall homecoming tradition comes around.

There is some added resolve to homecoming this year, however, that we want to focus our sights on and address with our students. In recent years, there have been incidents of pranks amongst students that are not responsible or respectful acts. These behaviors do not speak to the objectives and values that we want our students to acquire. What are some goals that are important for us to accomplish?

Respect of personal and public property: Pranking of classmate/community property is not an appropriate homecoming behavior. Recent years there has been an escalation of pranks, with reports from community members ranging from toilet papering of properties taking hours for property owners to clean up, damaging of personal and public property including windows, egging of properties including vehicles, and placing collections of discarded junk in the yards of others. Students engaging in these actions are not demonstrating responsible behaviors, nor are they respecting the classmates that they attend school with on a daily basis, or their families and community members.

Refrain from unsafe behaviors: We want our students to be safe and to make healthy decisions. Students engaging in these detrimental homecoming behaviors are doing so in the very late evening or early morning hours of school nights when they should be home sleeping, preparing for the next day. Students engaging in this unfavorable activity are often doing so in unfamiliar and very dark settings. Add the element of surprise and a student not wanting to be “caught” by an adult property owner for trespassing, and you have an increased chance that someone will be hurt while engaging in this inappropriate behavior.

Maintain positive school and community relations: Engaging in negative behaviors in the community can hinder and harm the many positive and rewarding interactions between school and community each year. We wish to maintain the great school/community relations that we currently have!

During the first week of school each year, I meet with our freshmen, sophomores, juniors and seniors, where we cover a number of goals and objectives. This year, we covered the importance of the three listed goals above, and how they pertain not only to homecoming week, but far beyond their high school years. I am hopeful that you can see the importance of these objectives as well, and that you are able to reinforce them by assisting your kids in positive decision making homecoming week. In doing so, the entire week, not just the game, can be enjoyed by all. Thank you, and we look forward to another great school year!

Chad Doetkott, High School Principal, cdoetkott@isd740.org
A huge thank you to our sponsors! We appreciate your support!

PLEASE MARK YOUR CALENDAR:

No School:
October 16, 17, 18
November 8, 15, 27-29

Parent/Teacher Conferences:

Kendra Ward
I am teaching 5th grade this year. The best part of teaching for me is seeing my students grow and become more confident in themselves and their learning. My favorite holiday is Halloween. My hobbies include photography, reading, and listening to music. My favorite memory from school is making beaded Alligators and reading Lyle, Lyle Crocodile. If I could travel tomorrow, I would go to Ireland and Spain. Do you have pets, and what type? I have four! Two dogs, Tardis and Ferb, and two cats, Motor and Shadow.

Brianna Schmiesing
I am teaching ESL in the elementary. The best part of teaching is the relationships I get to build with students. I love seeing children grow and reach their full potential. My favorite holiday is Christmas (minus the cold), I love being together with my family. My hobbies are watching/coaching/playing sports, especially volleyball. I also love to cook! My favorite part of school as a child was playing on the volleyball team. I would travel to Florida and swim with dolphins. I grew up on a farm so we have a lot of animals. We have one dog in our house and her name is Zoe. We have three dogs outside and their names are Hank, Scruffy, and Martha. They are best friends.

Mindy Arnzen
I am teaching Preschool/School Readiness (I taught first grade for 7 years prior to moving to the Melrose School District!). The best part of teaching is watching my students learn and grow, and being able to laugh with them everyday. My favorite holiday is Halloween. My hobbies are playing and reading books with my kids, shopping, decorating, going to the cabin with my family. My best memory from elementary school was making art projects, coloring, playing with friends. I would travel to Disney World with my kids, or Nashville, Tennessee. We have one dog, a Morkie named Sassy.
Laurie Jennissen
I will be teaching 9th grade English, ADSIS, and Essential English. The best part of teaching for me is making connections with students. Building rapport is key to success in the classroom. My favorite holiday is Christmas. I love to spend time with my family, and I always look forward to our many traditions. I have a lot of hobbies, but when weather permits, my favorite hobbies are biking and kayaking. I also enjoy singing, playing piano, and spending time with my family. Music and sports played a big part of my favorite memories during my school years. My favorite class was English. If I could travel anywhere tomorrow, I would choose to visit Banff and Lake Louise in Canada because of the beautiful scenery. I have an eight-year-old outdoor dog named Pepsi. He is part German Shepherd and part black lab. Oh yeah, and I inherited a goldfish from my daughter when she went to college :)

Matt Kiminski
I am teaching general music at the parochial schools and middle school and high school choir. The best part of teaching is seeing students experience the joy of learning! My favorite holiday is Thanksgiving because I always spend it surrounded by family and food. In my free time, I enjoy biking, reading, and traveling. I have such fond memories of all the neat field trips we went on in elementary and middle school, like to the theater and the science museum. If I could travel anywhere tomorrow, I would definitely travel to Ireland or New Zealand. I don’t have any pets right now, but my favorite past pets include Sonica the hedgehog, Kevin the goldfish, and Oliver the chicken.

Taylor Garthus
I am teaching English: American Lit, Myths and Legends, Media, & Multicultural Lit. The best part of teaching is making all students feel like they are capable and have something to contribute! Making sure all students know that they are cared about! My favorite holiday is Thanksgiving. My hobbies are singing, playing the piano, and writing. My best memory from school was being able to tutor younger students! I would travel to London to see a Shakespeare play at the Globe theater. I have a giant fluffy black cat named Gideon.

www.isd740.org
Sara Christenson
I am teaching Science in grades 7 & 8.
My love for science is what initially drove me to teaching. After being in the profession for a few years, I began to realize just how amazing it is to make connections and relationships with students. I truly enjoy being a voice for kids in the middle school and helping them stumble down the tricky path between elementary and high school.
My favorite holiday is Christmas. It is an amazing time when we have family from all over get together to be with one another again. It is always fun to talk and reminisce.
I always joke that with 3 kids and dog I’m not allowed too much time for hobbies. As a family we like spending time at the lake, riding in the woods on ATVs, and playing games with one another.
My best memories from school are from the friendships and shenanigans we used to create in my younger years.
If I could hop on a plane tomorrow I would go to New Zealand…or Hawaii…or Greenland…ugh…how could you pick just one place!? I have big travel plans someday!
We just got our first family pet this spring! Our dog Daisy is a white lab - she loves everyone and has LOTS of energy!

MINNESOTA READING CORPS & MATH CORPS TUTORS NEEDED!

Make a difference in our community, join our team as a reading or math tutor. Melrose Elementary and Middle School are looking for tutors to give their time and talent to help our kids become successful readers and learners.

Tutors work one-on-one or in small groups with students during school hours throughout the school year. No matter if you’re a recent grad, career changer, stay-at-home parent or retiree, you can make a great tutor. No experience? No problem. Minnesota Reading Corps provides comprehensive training in strategies proven to help students learn, so tutors are well equipped to help students grow.

For more information visit: https://www.readingandmath.net/
Lindsey Gruber
I am teaching Spanish III & Spanish IV (also SPAN 2401 & 2404 through Central Lakes College)
The best part of teaching for me is when students share with me how they’ve used their Spanish to communicate with someone outside of the classroom. They get so excited when they can see that they are able to use what they’ve learned in a real life setting. This is when connections are made between the classroom and the community.
My favorite holiday is Thanksgiving.
In my spare time I like to play piano, cook, read, and spend time outside with my family.
My best memory from school as a child is being a student in Ms. Heilig’s 3rd grade class. She always had a smile on her face as she greeted each of us every morning, and I can still remember her laugh!
If I could travel anywhere tomorrow, I would travel to Machu Picchu in Peru.
We don’t have any pets.

Katie Meyer
I am teaching K-6 Grade Physical Education at Sacred Heart, St. Mary’s, and St. Johns-St. Andrews schools, 6th grade Health and 7th Grade Physical Education at the Public School.
The best part of teaching is working with students and teaching them life-long skills on how to be healthy and happy!
My favorite holiday is Christmas! I love all the decorations, music, and the reason for the season. I would start decorating November 1st if my husband would let me!
My hobbies include going to the lake, golfing, watching sports, and being with family.
My favorite part of school was track and field day at the end of the year. Getting to be outside and competing for ribbons was a lot of fun.
If I could travel anywhere, I would want to go to Ireland or Australia.
We have two dogs, Maggie a collie/lab mix, who is 11, and Kobe a retriever/lab mix who is 2.5.

Bryce Kirchner
I am teaching Physical Education and Health.
The best part of teaching is getting to know my students and developing relationships to get to know them better. I love helping them discover something new, and positive life skills while also trying to live a physically active lifestyle.
My favorite holiday is Thanksgiving.
My hobbies include hunting and fishing, I love being outdoors.
I always enjoyed my physical education classes and was active in extracurricular activities, so they both have given me many positive memories.
If I could travel anywhere, I would travel to Alaska.
I have 2 dogs.
REGISTER FOR COMMUNITY EDUCATION

By mail
Fill out registration form on page 31 and send in with check or credit card information to:
Melrose Area Community Education
Room 106, 546 5 Ave NE
Melrose, MN 56352

In person
Stop by room 106 in the Melrose Area High School to drop off your registration materials. Office hours are Monday through Friday, 7:30 a.m. - 4:00 p.m.

Online
Visit us on the web at www.isd740.org, click on Community Education Online Registration link. You can sign up for classes and pay either with Visa, MasterCard, Discover, or American Express.

By phone
Have your credit or debit card ready and call 320-256-6010. All phone registrations must be paid for with a credit card.

UCare members
If you are a UCare member (except those enrolled in UCare Senior Select) you may receive up to $15 off the class fee for most Community Education classes. If a class is less than $15, it is free of charge. Members must be enrolled in UCare at the time of registration and throughout the duration of the class. Must provide UCare number in order to receive discount. Discounts do not apply to private lessons.

When do registrations close?
The registration deadline is one week before the course or activity begins, unless there’s a registration deadline listed. Whether or not a class is offered depends on advance registrations. Some classes will have a late fee administered if registrations come in late.

Class Cancellations
A minimum number of participants is needed to offer an activity or course. We reserve the right to withdraw a course or activity that has insufficient registrations. We will call you if your class has been cancelled and mail you a refund. No community education classes will be held when school is not in session or when school has been cancelled due to bad weather. We will also contact you if class has been cancelled.

If you need to cancel
Refunds will be given to individuals cancelling at least 8 days prior to the class date or by the registration deadline.
